

Good Morning, My Good Friends (to the tune of “The Mexican Hat Dance”)

Good morning, my good friends! (clap, clap)

Hello and how are you? (clap, clap)

Good morning, my good friends! (clap, clap)

It’s nice to sing with you! (clap, clap)

Put two hands over your head

And two hands on your shoulders

Now swing around your waist

And now between your knees

(Review movements, speaking) Over, On, Around, Between
